### Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance: An AGC circuit is disclosed. The closest prior art Borajani and Ueno, disclosed similar apparatus. However, as argues by applicant in the response file on 7/2/07, page 2, Borazjani and Ueno, either individually or in combination, do not disclose or suggest *a digital AGC circuit including all the limitations recited in independent claims 1 and 11. Specifically, the applied combination does not teach, at a minimum, "a peak detection circuit for receiving a digitized wobble signal and detecting a peak value in a time period equal to or more than a half period of the wobble signal," as recited in claim 1. Further, the applied combination does not teach, at a minimum, "a peak detection circuit for receiving an output of the digital AGC circuit and detecting a peak value in a time period equal to or more than a half period of the input."* Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jean B. Corrielus whose telephone number is 571-272-3020. The examiner can normally be reached on Monday-Thursday from 9:30-3:00.

Art Unit: 2611

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chieh Fan can be reached on 571-272-3042. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
